## It's Good-Bye and Hello

We're sad to say "good-bye" today  
To the portals of McKinley,  
We find it hard to have to part  
From associates so friendly.

They all marched past our senior class,  
Our trials, our joys, our plights,  
Plays and parties, clubs and proms,  
Baccalaureate and class-night.

We gave our last cheering blast  
For Bulldog punts and passes,  
We say farewell to period bells  
That called us to our classes.

But though we go, we say "hello"  
For a new day is upon us;  
Real naked life, her joys and strife,  
Alas, are still beyond us.

But we'll dive in and try to swim  
This world of troubled waters,  
And make our names renowned and famed  
As McKinley's sons and daughters.

Just where we go, we do not know,  
But be it business or in college,  
We'll try our best to lead the rest,  
With our own McKinley knowledge.

So we say "good-bye" to McKinley High  
And "hello" to a world unfriendly.  
Though we pass by, there will never die  
Our love for thee, McKinley.

—DON DIAMOND.

JUNIOR

### Junior Review

By cooperating perfectly with their officers for the year, Joe Boop, Kathryn Jones, Dorothy Petit, and Ralph Beck, the class of '39 made this year their best so far in high school. Numbering about 1,150, the class was the largest in the school.

Two class parties were held in the music room, but the social hi-light of the year was the junior-senior reception which was held at the Land O'Dance, May 13. Mr. Robinson was chairman of the various class guardians.

## Junior Review

*Bottom row: Haas, Love, Babylon, Bonvincini, Stevens, Urban, Grimm, Moesle, Bodnar. Second row: Austin, Swartz, Dailey, Figley, Sommers, Boring, Harris, Martin, Long. Third row: Wise, Mees, McClain, Whitehouse, Hontas, Clark, Siegler, Strauch, Cooley. Fourth row: Mitsef, Goldberg, Krause, Wise, Gibbons, Beck.*

## Junior Council

Members of the junior council make up the governing body of their class. Decisions made by them are passed on to other class members. They also have charge of collecting class dues. The group cooperates with the junior officers and the junior guardians of whom Mr. Robinson is chairman.

These committees have the respective duties of providing good food and decorating the music room at junior parties. Co-chairmen of the refreshment committee were Ralph Myer and Louis Hausrath. Harold Fondren and Beverly Roud headed the decorating committee. Miss Housley and Miss Zaugg were the respective faculty chairmen.

### Junior Entertainment and Program Committees

The entertainment committee sees to it that everybody at junior parties enjoys himself, while the program committee makes and distributes programs. Chairman of the entertainment committee was Bob Schmidt and assistant chairman, Jack McClain. Miss Colville and Miss Zinninger were the respective faculty chairmen.

Delta and Gamma, captained by Miriam Feldbush and Annette Johnson respectively, were the junior basketball champions. Delta was the most successful, winning four out of six games. Gamma won three and lost three. The faculty advisor was Miss Lynn.

### Junior Girls' Basketball

Bottom row: Blair, Hegnauer, Petit, Summers, Feldbush, Johnson, Davis, Stuchel, Austin.  
Second row: McQuaide, Carroll, Jones, Sheatzley, Vargones, Raibourne, Rope, Rothermel, Hand.

### Junior Girls' Volleyball

Although the juniors dropped the volleyball championship to the seniors, their season was successful. Out of the six junior teams, the green team was high winning nine out of eleven games. Miss Lynn was the coach.

The junior girls interested in tennis were paired off by the faculty advisor, Miss Lynn. The girls played each other until one girl remained as class champion. The class champions then competed for the school title.

## Junior Girls' Tennis

### **Junior Boys' Volleyball**

The junior team walked away with the 1937 intramural volleyball championship. Eight of the 40 original junior teams participated in the inter-class play-off. Two sophomore, two junior, and two senior teams played in the finals. Emblems were awarded to ten junior players.

After advancing to the finals in the intramural tennis tournament; the squad of 16 juniors called finis to another fairly successful season. Charles Merriman won the highest individual honors in attaining the junior championship title.

## Junior Boys' Tennis

### Junior Girls with 90 Averages

From this group will come the future members of National Honor Society and Girls' Service League. A 90 percent average is an achievement to be proud of and to maintain. Participation in outside activities is another factor that makes this achievement difficult.

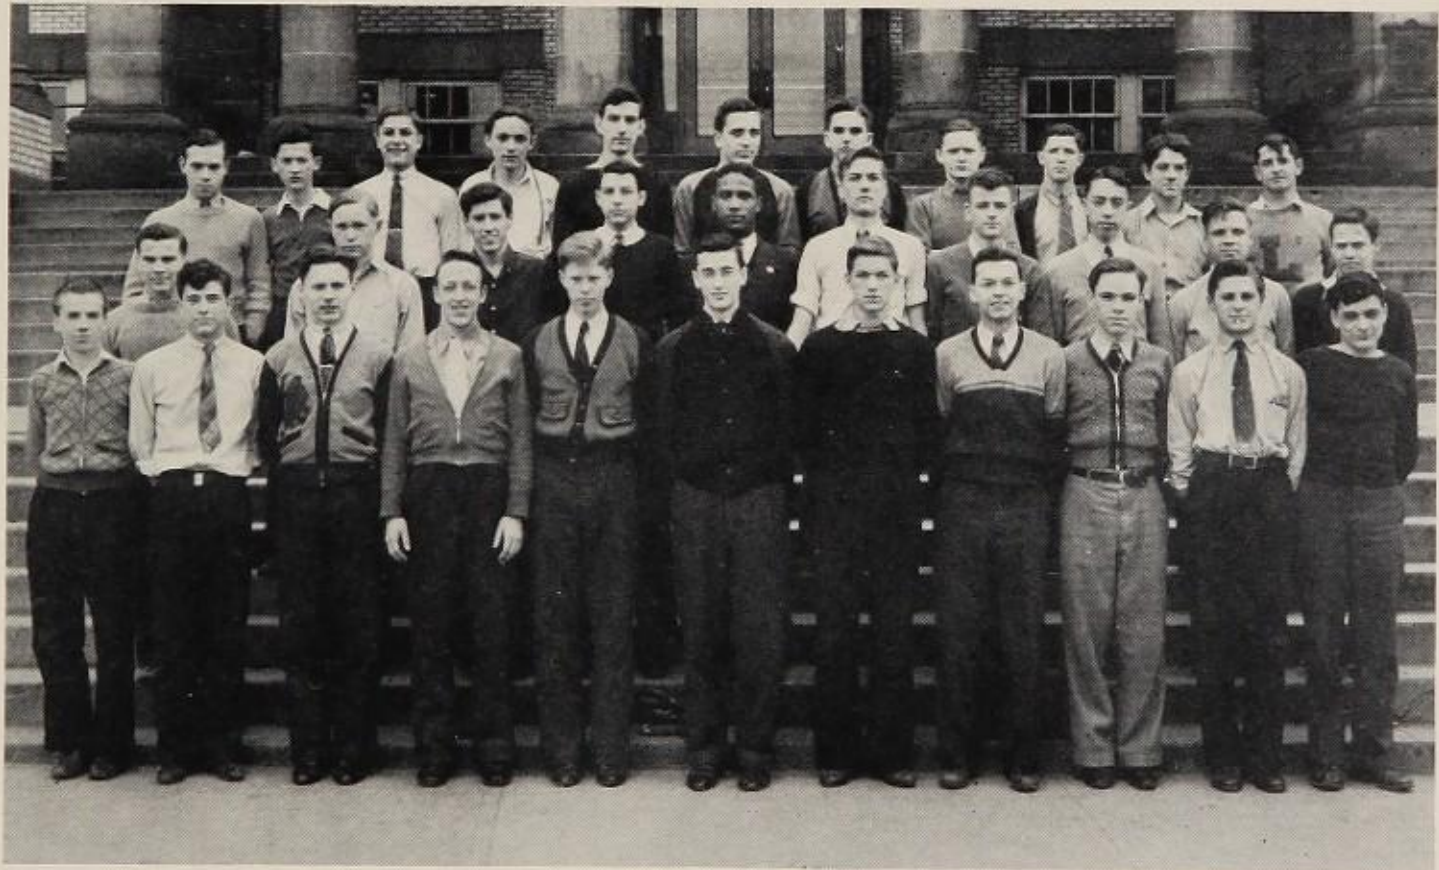

To maintain an average of 90 percent or more during the junior year of high school is a record worthy of special recognition. Many of these students are active in other school clubs and organizations, making their task doubly hard.

### Junior Boys with 90 Averages

*Bottom row:* Witterman, Strauch, Focht, Miller, Kehl, Hontas, Hickern, Strang, Mees, Wise, Armogida. *Second row:* Knoch, Dobina, Raymond, Schario, Barnes, Heidenrick, Roberts, Schmidt, Hand, Johnson. *Third row:* Moore, Reese, Wagner, Chimples, Miller, Boop, Klumpf, Hatfield, Gordon, Walther, H. ### Sophomore Review

In their first year at McKinley, the class of '40 elected Dwight Redd, Anne Ward, Sally Shurtz, and Mike Grady as their class officers. The sophomores were second in size in McKinley with an enrollment of approximately 1,000.

Two parties were included in the social year. A get-acquainted dance in December, and a spring frolic early in April. To Mr. Hinton as chairman of the class guardians goes a great deal of credit for the successful year.

These students represent the best of the groups which have come to McKinley from other junior high schools. We hope they continue in the same paths they have begun to follow and thus uphold the high standards of scholarship McKinley wishes to maintain.

Although not up to their usual form, the Bulldogs won a clean combat from Shaker Heights in the district play by the score of 32-22. Bob Wolfe again lead the individual scoring with 16 points. Nick Roman, was ejected in the fourth period on personal fouls, the only player to leave the game by this route.

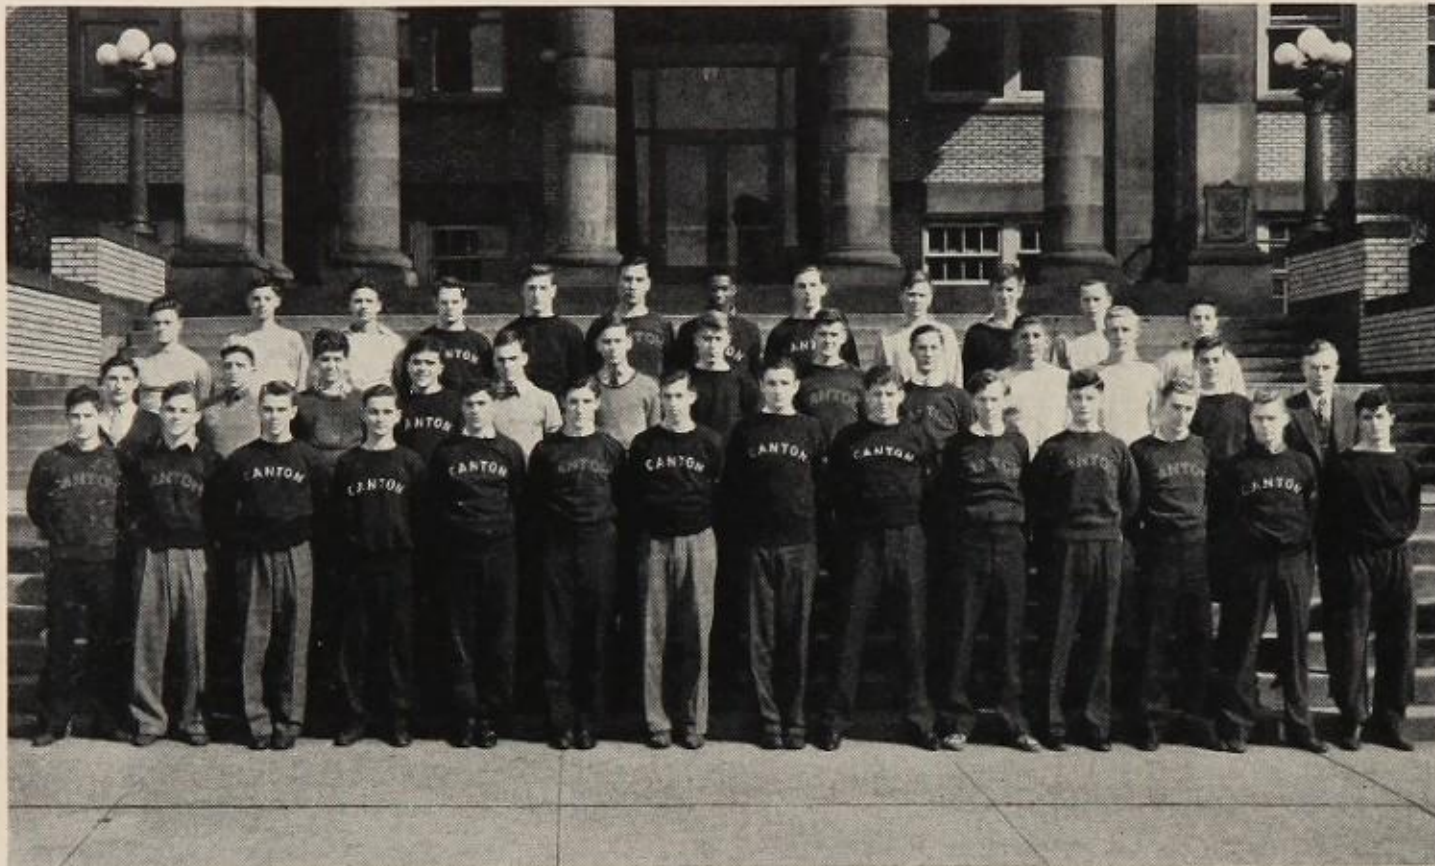

Downing a powerful Youngstown East team 29-19 before a capacity house, the McKinley Bulldogs won a right to enter the state finals at Columbus. Bob Wolfe lead the scoring with 14 points, several of which were accounted for by spectacular one-hand field goals. In the display of fine floor play and a great passing attack, this exhibition topped all previous tournament contests.

Although victorious 26-22 over Toledo Woodward in the first game at Columbus, the Bulldogs were off-form. The quintet connected in only 10 out of 52 shots from the field. Captain Nick Roman and Bob Wolfe left the game in the second half due to excessive fouling.

After advancing to the quarter finals, state title hopes were blasted by Hamilton, last year's champions who defeated the Bulldogs 38-36. In the thrilling final quarter, McKinley suffered the fatal loss of Wolfe and Roman who were ejected after committing four personal fouls. In the same quarter the Bulldogs jumped into the lead for the first time with less than two minutes to play. Hamilton, however, quickly tied the score and in the last 30 seconds clinched the game with a spectacular shot from the field.

This marks the eighth time the Red and Black have participated in the Columbus event—the record of all Ohio schools.

**Your Career**

**T**HE Stark County Society of The Osteopathic School of Medicine announces that Ohio is much in need of more Osteopathic Physicians, Surgeons and Specialists to meet the increasing demand for their services. Here are unequalled opportunities in a newer field for those who aspire to a life of high-grade service.

Capable and ambitious young men and women who are interested in the only unfilled grade A profession, and who are willing to qualify with two years of pre-medical college and a four-year professional course, may receive information, guidance pamphlets and "Osteopathy as a Career" from any local Osteopathic Physician, or by addressing

# *The Type Speaks*

By FREDERIC W. GOUDY

I am type! Of my earliest ancestry neither history nor relics remain. The wedge-shaped symbols impressed in plastic clay by Babylonian builders in the dim past foreshadowed me: from them, on through the hieroglyphs of the ancient Egyptians, down to the beautiful manuscript letters of the mediaeval scribes, I was in the making.

With the golden vision of the ingenious Gutenberg, who first applied the principle of casting me in metal, the profound art of printing with movable types was born. Cold, rigid, and implacable I may be, yet the first impress of my face brought the Divine Word to countless thousands.

I bring into the light of day the precious stores of knowledge and wisdom long hidden in the grave of ignorance. I coin for you the enchanting tale, the philosopher's moralizing, and the poet's phantasies; I enable you to exchange the irksome hours that come, at times, to every one, for sweet and happy hours with books—golden urns filled with all the manna of the past. In books, I present to you a portion of the eternal mind caught in its progress through the world, stamped in an instant, and preserved for eternity. Through me, Socrates and Plato, Chaucer and the Bards become your faithful friends, who ever surround and minister to you. I am the leaden army that conquers the world: I AM TYPE!
